For more information about your coverage, or to get a copy of the complete terms of coverage, please contact Fund Administrator c/o HS&BA at (925) 833-7300. | Important Questions | Answers | Why This Matters: |
|--|---|---|
| What is the overall deductible? | For <u>in-network providers</u> : \$3,000 individual / \$6,000 family For <u>out-of-network providers</u> : \$9,000 individual / \$18,000 family Prescription drugs: \$1,500 individual / \$3,000 family | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> . |
| Are there services covered before you meet your deductible? | Yes. Preventive care. | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-beneifits/ . |
| Are there other deductibles for specific services? | No. | You don't have to meet deductibles for specific services. |
| What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ? | For <u>in-network providers</u> : \$4,000 individual / \$8,000 family For <u>out-of-network providers</u> : none <u>Prescription drugs</u> : \$3,900 individual / \$7,800 family. This is a combined maximum for in-network and out-of-network generic and formulary drugs during a coverage period (calendar year). | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met. For medical plan <u>participating providers</u> , once you or your family have met the <u>out-of-pocket limit</u> , which includes the <u>deductible</u> , the <u>plan</u> will pay 100% of <u>participating provider</u> medical expenses incurred for the remainder of the plan year. |
| What is not included in the out-of-pocket limit? | The <u>deductible</u> for <u>non-PPO providers</u> , premiums, <u>balance</u> <u>billing</u> charges except where prohibited by law, charges in excess of annual maximum benefits, a penalty for failure to obtain <u>preauthorization</u> , dental and vision expenses, non-PPO <u>coinsurance</u> , and the cost between a chosen brand and generic equivalent do not count toward the <u>out-of-pocket limit</u> . | Even though you pay these expenses, they don't count toward the out-of-pocket limit. |
| Will you pay less if you use a <u>network provider</u> ? | Yes. See www.bcbs.com (outside of CA) or call the Fund Office for a list of participating providers in the Anthem Blue Cross network in CA or 1-888-877-8363 | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a referral to see a specialist? | No. | You can see the <u>specialist</u> you choose without a <u>referral</u> . |

All $\underline{\text{copayment}}$ and $\underline{\text{coinsurance}}$ costs shown in this chart are after your $\underline{\text{deductible}}$ has been met, if a $\underline{\text{deductible}}$ applies.
