

* IMPORTANT INFORMATION *

You should carefully complete this enrollment form and fill in the required information as neatly and clearly as possible. This information is an important part of your official record with the Fund. Most of the items clearly indicate the information required; however, instructions are listed below for those items which might need explaining.

- Fill in your Social Security Number as it appears on your Social Security card.
- Please fill in the month, day and year when asked to provide dates of birth. The year alone is not enough.
- The Fund has the right to request proof of marriage, of divorce, or of birth to verify the information given and to determine the eligibility of a dependent for enrollment.

Eligible dependents are:

Your lawful spouse. In the event of a final dissolution of your marriage (divorce), the spouse is no longer eligible for coverage and you should immediately complete and mail a new enrollment form to the Fund Office to delete your spouse as your dependent. If you fail to do so, you may be held responsible for repayment of any benefits provided to which your former spouse is no longer entitled.

(CERTIFICATION REQUIRED: Certified Marriage Certificate, recorded final marriage dissolution document.)

Your domestic partner. Domestic Partners are defined as same sex and opposite sex couples registered with any state or local government agency authorized to perform such registrations.

(CERTIFICATION REQUIRED: Certificate of Domestic Partnership or equivalent form.)

Your children under age 26 including your natural children, stepchildren (including children of your domestic partner) who live in your household, legally adopted children, children for whom you have been appointed Legal Guardianship, foster children, children designated as your Dependent in a valid and approved QMCSO.

(CERTIFICATION REQUIRED: Birth Certificate, Legal Guardianship papers, QMCSO.)

An unmarried child of any age who is unable to earn a living because of a disability is also considered an eligible dependent, provided the child was both disabled and eligible under the Fund before reaching age 26 and provides proof of disability within 31 days of reaching the age limitation.

(CERTIFICATION REQUIRED: Physician Statement.)
